

## Automated Trip SMS notification

As part of our services, we provide automated text messages to keep you informed about upcoming trips. For each scheduled trip, you'll receive two messages:

1. **Scheduling Notification:** You'll receive a message informing you that you've been scheduled for a trip when the trip is confirmed.
2. **Reminder Alert:** Approximately one hour before your shift starts, we'll send a reminder message.

Please note that standard message and data rates may apply based on your mobile phone service plan. If you wish to opt out of these notifications, simply reach out to our management team.
